GENERAL TERMS AND CONDITIONS

1. DEFINITIONS.

As used in this Agreement:

"Acceptance" shall have the meaning set forth in Section 3.2.2.

"Compliance Update" means a change made to the Software to reflect a mandated change in an applicable Law.

"Computer System" means the digital computer processor(s), random access memory, disk subsystem, network software, Database Software, operating system software and other hardware or software components or programs that are used in conjunction with the Hardware and/or Software.

"Customization" means any improvement, derivation, extension or other change to the Software made by Manatron at the request of Customer, including any that result from the joint efforts or collaboration of Manatron and Customer. Manatron may from time to time and in its sole discretion, incorporate Customizations into the Software as "Enhancements".

"Database Software" means relational database management systems (RDMS) such as Microsoft SQL Server, Oracle or similar Third-Party Software that is utilized by the Software to store Customer data on a disk subsystem as part of the operation of the Software.

"Designated Processor" means the computer processing device that provides the primary control for the interpretation and execution of the Software and is designated on the applicable Schedule or, if not so identified, on which the Software is initially installed or, if a software activator device is required, the computer processing device within which the software activator is properly installed.

"Documentation" means any standard operator and user manuals, product specifications, glossary, index, training materials, and other similar materials generally made available and provided by Manatron for use with the Software.

"End User" means the Customer, or any employee(s), affiliate(s) agent(s) representative(s) or any other person under the direction or control of the Customer that uses the Software to perform certain functions or tasks as required by the Customer.

"Enhancement" means any modification or addition that, when made or added to the Software, changes its utility, efficiency, functional capability or application. Manatron may, in its sole discretion, designate an Enhancement as minor or major.

"Error" means any failure of the Software to conform in any material respect to the functional specifications contained in the Documentation, as published from time to time by Manatron.

"Error Corrections" means a modification or an addition that, when made or added to the Software, establishes material conformity of the Software to the Documentation, or a procedure or routine that, when implemented in the regular operation of the Software, eliminates the practical adverse effect on Customer of such nonconformity.

"Hardware" means the Computer System components and equipment, other than the Database Software, Software, and Third-Party Software as listed in the applicable schedule.

"Implementation Plan" means a detailed description of the tasks to be performed by each party in connection with the implementation of the Software, the deliverables for each task and the commencement and completion dates for each task attached hereto as Appendix C.

"Installation" means all preparation, processing and other tasks necessary to install the Database Software, Software or Third-Party Software on the Designated Processor to make it operational.

"Installation Date" means the date on which Manatron completes Installation of the Hardware at a location specified by Customer or the Software or Third-Party Software on the Designated Processor or, in the case where Customer

requests or causes a material delay in the performance of installation, the date set forth in the Implementation Plan for commencement of installation (if for Hardware) or acceptance testing (if for Software or Third-Party Software).

"Law" means any applicable state, county or local statute, law, ordinance or code.

"Minimum Requirements" means the minimum requirements for the Computer System as set forth on the associated Schedules. The Software may operate on a Computer System that is below the Minimum Requirements, but such operation is not warranted by Manatron.

If after a reasonable period of time Manatron is unable to correct a nonconformity in the Software, Customer may, as its sole and exclusive remedy, return the Software and Documentation to Manatron and receive a refund of any payments received for the license fee.

3.2.2 The Software shall be considered accepted for all purposes ("Acceptance") upon the earlier of: (a) notification by Customer that the Software is in compliance; (b) expiration of the Test Period if Customer fails to notify Manatron of any material nonconformity during that period; or (c) use of the Software by Customer for any purpose other than testing.

3.3 Scope of Rights. Customer may:

3.3.1 Install the Software on the Designated Processor and may, upon prior written notice to Manatron, move the Software to a different processor, or, in the event of a disaster, run the Software on a back-up processor.

If an audit reveals that Customer has exceeded the restrictions on use, Customer shall be responsible for the reimbursement of all costs related to the audit and prompt payment by Customer to Manatron of the underpayment.

3.7 Third-Party Software. Customer acknowledges and agrees that each Third-Party Software product is the property of the respective third-party owner or licensor and that Customer has no right or title, nor will it assert any right or title, in the same except as expressly granted in writing by the terms and conditions of such third-party license or purchase agreement. All Third-Party Software provided to Customer under this Agreement shall be used only in accordance with the applicable license agreement from the third-party owner or licensor.

Manatron shall not be responsible and assumes no liability for any failure by any agency to provide sufficient advance notice of any change or any errors or omissions contained in any information provided by any agency. 5.3 Customer Obligations.

5.3.1 Customer shall designate one or more persons, depending on the size and complexity of Customer's application, through whom requests by Customer for Support Services shall be made. incurred by Manatron in connection with the performance of Services. Meal expenses shall not exceed Manatron's then-current per-diem amount.

8.6 Invoices/Acceptance. All invoices shall be paid in accordance with the terms set forth in the applicable Schedule. Unless Customer provides Manatron with proof of exemption therefrom, Customer shall pay all applicable taxes levied by any tax authority based upon this Agreement, the Software, Hardware and/or any Professional Services performed by Manatron, excluding any taxes based upon Manatron's income. It shall be Customer's sole obligation to challenge the applicability of any tax. If Customer shall become subject to tax at any time following the execution of this Agreement, Manatron shall have the right to assess the tax liability applicable under this Agreement to Customer and Customer agrees to pay Manatron for such tax liability within thirty (30) days after receiving written notice of such tax liability from Manatron.

8.9 Price Changes. If Manatron utilizes a third-party Hardware Maintenance services provider, Manatron shall be entitled to change any price charged to Customer for Hardware Maintenance services upon thirty (30) days prior (to the next invoicing cycle) written notice in order to pass through to the Customer any price increases or decreases which the Hardware Maintenance services provider may from time to time make. Manatron agrees to correct or replace, at no charge, any nonconformity of which it receives notice during the warranty period. In addition, Manatron warrants that any Enhancement, Customization, Compliance Update and/or Error Correction will conform in all material respects to the functional specifications contained in the then-current Documentation. The warranty for any Enhancement, Compliance Update and/or Error Correction shall expire simultaneously with the expiration of the Software warranty. Manatron's sole obligation to Customer, and Customer's exclusive remedy for breach of warranty under this Section 10.1 is the correction or replacement of any nonconformity. Customer shall provide Manatron with written notice that a nonconformity exists, and Manatron shall have a reasonable period of time, based on the severity of the nonconformity, to correct the Software. Manatron warrants that the Software does not contain any disabling devices that would allow Manatron to terminate operation of the Software. Manatron further warrants that to the best of its knowledge, the Software does not contain any viruses.

10.2 Services. Manatron warrants that all Services provided under this Agreement will be performed in a workmanlike manner. Customer shall notify Manatron in writing of any breach of this warranty within thirty (30) days after completion of the Service. Manatron's sole obligation to Customer, and Customer's exclusive remedy for breach of this warranty is re-performance of the Service.

10.3 Third-Party Software; Hardware. MANATRON MAKES NO WARRANTY WITH RESPECT TO ANY HARDWARE OR THIRD-PARTY SOFTWARE, AND WHATEVER WARRANTY MAY APPLY TO ANY HARDWARE OR THIRD-PARTY SOFTWARE PRODUCT, IF ANY, IS ONLY AS IS EXPRESSLY STATED BY THE THIRD-PARTY MANUFACTURER, OWNER OR LICENSOR OF THE HARDWARE OR THIRD-PARTY SOFTWARE. MANATRON EXPRESSLY DISCLAIMS ALL WARRANTIES FOR THE HARDWARE AND THIRD-PARTY SOFTWARE, WHETHER EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE.

10.4 Exclusions. Manatron's warranty obligations and other obligations under this Agreement with respect to the Hardware and Software are expressly conditioned upon Customer's proper use and do not include:

10.4.1 Support or correction of errors or increases in service time that result from (a) accident, neglect, misuse or use other than ordinary use; (b) failure of electrical power, air conditioning, or humidity controls that cause a computer failure; and (c) modifications made to the Software by other than a representative of Manatron;

10.4.2 Problems and errors that Manatron and/or Customer cannot reproduce;

10.4.3 Problems relating to or caused by (a) any hardware, third-party software, Internet Service Provider (ISP) or software that was not supplied by Manatron or (b) use of a Computer System that does not meet the Minimum Requirements; or

10.4.4 Problems relating to or caused by changes in, or modifications to, the operating characteristics of any computer hardware or operating system for which the Software is procured.

10.5 Errors, defects, and malfunctions that are traceable to any of the foregoing or any Customer errors or system changes, any ISP, or any third-party hardware and/or software shall be billed at Manatron's then-current time-and-material rates, including out-of-pocket expenses.

10.6 Disclaimer. THE WARRANTIES SET FORTH IN THIS SECTION 10 ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. MANATRON EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY, TITLE AND FITNESS FOR A PARTICULAR PURPOSE.

11. CONFIDENTIAL INFORMATION.

11.1 Defined. As used in this Section 11, "Confidential Information" includes the Software and Customizations in any embodiment, the terms, conditions and pricing of this Agreement, and either party's technical and business information relating to inventions or software, research and development, future product specifications, engineering processes, costs, profit or margin information, marketing and future business plans as well as any and all internal customer and employee information, and any information exchanged by the parties that is clearly marked with a confidential, private or proprietary legend. Information that is conveyed orally shall be designated as confidential at the time of disclosure and shall be reduced to writing within ten (10) business days. Notwithstanding any provision in this Section 11.1, Customer specifically acknowledges that the Software, including without limitation the database architecture and sequence and Documentation comprise Confidential Information and know-how that are the exclusive property of Manatron.

11.2 Nondisclosure. The parties agree, unless otherwise provided in this Agreement or required by law, not to use or make each other's Confidential Information available to any third party for any purpose other than as necessary to perform under this Agreement. The recipient shall protect the Confidential Information from disclosure by using the same degree of care, but no less than a reasonable degree of care, that it uses to protect its own confidential information of a like nature to prevent its unauthorized use, dissemination or publication by its employees or agents. Customer further agrees that it will not allow any form or variation of the Software to enter the public domain. Both parties acknowledge that any breach of its obligations with respect to Confidential Information may cause the other irreparable injury for which there are inadequate remedies at law and that the non-disclosing party shall be entitled to equitable relief in addition to all other remedies available to it. Customer shall not disclose the results of any performance or functionality tests of the Software to any third party without Manatron's prior written approval.

11.3 Exceptions. A party's Confidential Information shall not include information that: (a) is or becomes publicly available through no act or omission of the recipient; (b) was in the recipient's lawful possession prior to the disclosure and was not obtained by the recipient either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the recipient by a third party without restriction on recipient's disclosure, and where recipient was not aware that the information was the confidential information of discloser; (d) is independently developed by the recipient without violation of this Agreement; or (e) is required to be disclosed by law.

12. INTELLECTUAL PROPERTY INDEMNIFICATION.

12.1 Scope. Manatron agrees to indemnify and defend Customer against any claim or action brought by any third-party for actual or alleged infringement of any United States patent, copyright, or trade secret based upon Customer's own internal use of the Software in accordance with this Agreement and to pay any damages and costs finally awarded against Customer or paid in settlement. Manatron shall have the sole right to conduct the defense of any claim or action and all negotiations for its settlement, unless the parties to this Agreement agree otherwise in writing.

12.2 Notice. Customer shall give Manatron prompt written notice of any threat, warning, or notice of any claim or action that could have an adverse impact on Manatron's rights in the Software.

12.3 Alternatives. Manatron shall not be responsible for any settlement entered into without its consent. In the event of a claim or action under Section 12.1, Manatron may, in its sole discretion, (a) procure for Customer the right to continue using the Software; (b) provide a substitute, non-infringing Software; or (c) terminate this Agreement and refund the license fees paid by Customer, less depreciation using a five-year, straight-line method of calculation.

12.4 Exclusions. Manatron shall have no obligation under this Section 12 with respect to any claim or action that is based upon (a) Customer's use of the Software in breach of any term or condition of this Agreement; (b) the use or combination of the Software with any third-party product, software, hardware or system; (c) modification of the Software other than by a

representative of Manatron; (d) use of a Version of the Software other than the most current Version of the Software, where use of the most current Version would have avoided the claim of infringement.

12.5 Sole Remedy. This Section 12 states Manatron's sole responsibility and obligation, and Customer's sole and exclusive remedy for any infringement claim.

13. LIMITATIONS OF LIABILITY.

13.1 Limitation and Disclaimer. MANATRON'S LIABILITY FOR DAMAGES OF ANY KIND, REGARDLESS OF THE FORM OF ACTION OR THEORY OF LIABILITY, SHALL NOT EXCEED MANATRON'S INSURANCE COVERAGE. TO THE EXTENT THAT A CLAIM IS NOT WITHIN MANATRON'S INSURANCE COVERAGE, MANATRON'S LIABILITY SHALL NOT EXCEED: (A) IN THE EVENT OF DAMAGES ASSOCIATED WITH A SERVICE OR HARDWARE PRODUCT, THE FEE PAID BY CUSTOMER FOR THAT SERVICE OR HARDWARE PRODUCT UNDER THE APPLICABLE SCHEDULE; OR (B) IN ALL OTHER CASES, THE LICENSE FEE PAID BY CUSTOMER FOR USE OF THE SOFTWARE. IN NO EVENT SHALL MANATRON BE LIABLE UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, OR EXCESS COSTS OF REPROCUREMENT ("COVER COST") INDIRECT OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING DAMAGES RESULTING FROM INTERRUPTION OF USE, LOSS OR CORRUPTION OF DATA, LOST REVENUE, LOSSES RESULTING FROM SYSTEM SHUTDOWN, FAILURE TO ACCURATELY TRANSFER READ OR TRANSMIT INFORMATION, FAILURE TO UPDATE OR PROVIDE CORRECT INFORMATION, STOLEN OR MISUSED PASSWORDS, SYSTEM INCOMPATIBILITY OR PROVIDING INCORRECT COMPATIBILITY INFORMATION, OR BREACHES IN SYSTEM SECURITY, WHETHER OR NOT MANATRON HAS, OR SHOULD HAVE HAD, ANY KNOWLEDGE, ACTUAL OR CONSTRUCTIVE, OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

14. THIRD-PARTY SERVICE DISCLAIMER. Unless otherwise stated in the applicable Schedule, Manatron shall not be liable for, and Customer hereby assumes the risk of and shall indemnify and hold harmless Manatron against, any claim, injury, loss, damage or expense (including attorneys' fees), either direct or indirect, incurred, made or suffered by Customer in connection with or in any way arising out of the furnishing, performance or use of services provided by any third party contracted by Customer to perform services in connection with the Software.

15. TERM.

15.1 Agreement. This Agreement shall begin on the Effective Date and shall remain in full force and effect until the last Schedule has expired or has been terminated, unless sooner terminated in accordance with the terms of Section 16.

15.2 Software and Third-Party Software Support Services. Unless otherwise provided in the applicable Schedule, Support Services for Software and Third-Party Software shall commence on the first of the month next following Installation and shall continue for an initial period of thirty-six (36) months ("Software Support Services"). Software Support Services shall renew automatically for additional terms of twelve (12) months unless either party provides the other written notice of termination ninety (90) days prior to the expiration date of the initial term or any subsequent twelve-month term. If Software Support Services are discontinued by Customer or terminated for any period, and Customer desires to reinstate such services, Customer shall pay all annual support fees in arrears, in addition to the then-current annual support fee.

15.3 Hardware Maintenance Services. Unless otherwise provided in the applicable Schedule, maintenance services for Hardware shall commence on

the first of the month next following Installation and shall continue for an initial period of thirty-six (36) months ("Hardware Maintenance Services"). Hardware Maintenance Services shall renew automatically for additional terms of twelve (12) months unless either party provides the other written notice of termination ninety (90) days prior to the expiration date of the initial term or any subsequent twelve-month term. If Hardware Maintenance Services are discontinued by Customer or terminated for any period, and Customer desires to reinstate such services, Customer shall pay all annual support fees in arrears, in addition to the then-current annual support fee.

15.4 Other Services. The term for Services (other than Support Services) provided under this Agreement, excluding support services, shall terminate upon completion of the services or shall remain in effect for the period specified in the applicable Schedule.

16. TERMINATION.

16.1 By Either Party. Either party may at its option terminate a Schedule immediately upon written notice to the other party if the other party:

16.1.1 Breaches its confidentiality obligations under this Agreement.

16.1.2 Breaches any obligation set forth in this Agreement and fails to cure the breach or develop a plan to cure the breach within thirty (30) days after written notice of the breach from the other party.

16.1.3 Ceases conducting business in the normal course, admits its insolvency or makes an assignment for the benefit of creditors.

16.1.4 Becomes the subject of any judicial or administrative proceedings in bankruptcy, receivership or reorganization and such proceeding is not dismissed within ninety (90) days after it is commenced.

16.2 By Customer. In the event the proper appropriation of funds for the continuation of this Agreement is not available for any fiscal year after the first fiscal year, then this Agreement may be terminated. To effect the termination of this Agreement, Customer shall, within thirty (30) days following the beginning of the fiscal year for which the proper appropriation is not available, provide Manatron with written notice of the failure to obtain the proper appropriation of funds. Such notice shall be accompanied by the payment of all sums then owed Manatron under this Agreement, if any. No penalty shall accrue to Customer in the event of exercise of termination due to non-appropriation. If this Agreement is terminated pursuant to this Section 16.2, Customer agrees to grant Manatron a right of first refusal to continue under the terms of this contract for a period of two (2) years from the date of exercising this Section 16.2. If funds should not become available with two (2) years of said date, Customer shall be free to contract with Manatron or any other available source when they do become available.

16.3 Effect of Termination. The termination of this Agreement shall not effect the Customer's rights to the Software pursuant to Section 3.1 provided that Customer has paid all Software license fees set forth in the applicable Schedule(s) and Customer is not in breach of any provision of this Agreement or the Schedules. If Customer terminates this Agreement prior to the payment of all Software license fees, or if Customer is in breach of this Agreement, Customer shall immediately cease using the Software and shall either destroy or return the original and all copies, in whole or in part, in any form, of the Software and related materials. Customer shall certify such action in writing to Manatron within one (1) month after the termination date. If Customer terminates a Schedule for Support Services under Section 16.1 above, Customer shall receive a prorated credit of the annual support fee paid for the then-current term to be applied to future services. Upon termination of a Schedule, Customer shall, within thirty (30) days of termination, pay all amounts due and owing under that Schedule. Upon termination of the applicable Schedule and upon request by Customer, Manatron shall return all data supplied by Customer in a format reasonably requested by Customer (other than Manatron's proprietary format) upon payment of Manatron's then current fee for this service.

16.4 Survival of Certain Obligations. Obligations and rights in connection with this Agreement which by their nature would continue beyond the termination of this Agreement, including without limitation, Section 11, shall survive termination of this Agreement.

17. DISPUTE RESOLUTION.

17.1 Informal Dispute Resolution. If a dispute, controversy or claim arises between the parties relating to this Agreement, the parties shall promptly notify one another of the dispute in writing. Each party shall promptly designate a representative to resolve the dispute. The representatives shall meet within ten (10) days following the first receipt by a party of such written notice and shall attempt to resolve the dispute within fifteen (15) days.

18. GENERAL.

18.1 Customer List; Publicity. Customer authorizes Manatron to use Customer's name in its list of Customers. The parties agree that either party or both may issue a mutually acceptable news release regarding Customer's use of the applicable Software and Support Services. Each party's approval of such news release will not be unreasonably withheld or delayed. Once a press release has been issued, Manatron may publicly refer to Customer (by name only) as being a customer of Manatron, and only in relation to this Agreement except as otherwise authorized by Customer.

18.2 Amendments. No provision of this Agreement may be amended or modified except by a written document signed by duly authorized representatives of both parties.

18.3 Notices.

18.3.1 Delivery. Except as otherwise provided herein, any notice or other communication between the parties hereto regarding the matters contemplated by this Agreement may be sent by United States mail (first class, airmail or express mail), commercial courier, facsimile or electronic mail, in each case delivered to the address set forth below for the recipient. Any written notice required to be sent under Section 16 ("Termination") or Section 17 ("Dispute Resolution") must be sent by U.S. mail (first class, airmail or express) or commercial courier.

18.3.2 Receipt. Communications shall be deemed received, if by mail, on the earlier of receipt or the third calendar day after deposit in the mail with postage prepaid; if by courier, when delivered as evidenced by the courier's records; if by facsimile, upon confirmation of receipt by the sending telecopier; and if by electronic mail, when first available on the recipient's mail server. If received on a day other than a business day, or on a business day but after 4:30 p.m., recipient's local time, the communication will be deemed received at 9:00 a.m. the next business day.

18.3.3 Contact Person. Notices shall be addressed to the attention of the contact person listed on the Signature Page. Any party may change its contact person or address for purposes hereof by delivering a notice thereof to each other party hereto; but any element of such party's address which is not specified in that notice shall not be deemed changed.

18.4 Technology Life Expectancy. Customer understands, acknowledges and agrees that the technology upon which the Hardware, Software and Third-Party Software is based changes rapidly. Customer further acknowledges that Manatron will continue to improve the functionality and features of the Software to improve legal compliance, accuracy, functionality and usability. As a result, Manatron does not represent or warrant that the Hardware, Software and/or Third-Party Software provided to Customer under this Agreement or that the Computer System recommended by Manatron will function for an indefinite period of time. Rather, Manatron and Customer may, from time to time, analyze the functionality of the Hardware, Software, Third-Party Software and Computer System in response to changes to determine whether Customer must upgrade the same. Customer upgrades may include without limitation, the installation of a new Release, additional disk storage and memory, and workstation and/or server upgrades. Customer upgrades may also include the installation and/or removal of Third-Party Software. Customer is solely responsible for all costs associated with future resources and upgrades.

18.5 Excusable Delays. Neither party shall incur liability to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement, excluding payment obligations, where such failure is caused in whole or in part by events, occurrences, or causes beyond the reasonable control of the party, provided that such party has taken reasonable steps to mitigate the effects of such delay.

18.6 Statute of Limitations. No party may commence an action under this Agreement more than two (2) years after the expiration of its term, or, in the event of a breach, more than two (2) years after the occurrence of the breach, or, in the event the breach is not discovered by the injured party when it has occurred, more than two (2) years after the breach could, in the exercise of due diligence, have been discovered by such party.

18.7 Injunctive Relief. Manatron and Customer agree that in the event of any breach of Section 11, monetary damages may not be a sufficient remedy or protection for the aggrieved party, and that the aggrieved party shall be entitled to injunctive or other relief as may be deemed proper or necessary by a court of competent jurisdiction.

18.8 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the state of Michigan.

18.9 Assignment. Customer shall not assign, sublicense or otherwise transfer its rights, duties or obligations under this Agreement, in whole or in part, without the prior written consent of Manatron, which consent shall not be unreasonably withheld or delayed.

18.10 Severability. If any provision of this Agreement is prohibited or unenforceable by any applicable law, the provision shall be ineffective only to the extent and for the duration of the prohibition of unenforceability, without invalidating any of the remaining provisions.

18.11 Counterparts. This Agreement may be executed simultaneously, in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

18.12 Subcontractors. Manatron reserves the right to subcontract work, as it deems necessary, to perform the Services under this Agreement. Manatron shall be fully responsible for the acts of all subcontractors to the same extent it is responsible for the acts of its own employees.

18.13 Independent Contractor. The relationship of Manatron to Customer shall be that of an independent contractor. No principal-agent or employer-employee relationship is created by this Agreement.

18.14 Waiver. No failure by either party to take any action or assert any right hereunder shall be deemed to be a waiver of such right in the event of the continuation or repetition or the circumstance giving rise to such right.

18.15 Executable by Facsimile. Any signature of this Agreement or any Schedule through facsimile shall constitute execution of the Agreement or Schedule by such party.

18.16 Non-Discrimination. Manatron, to the extent required by law, shall not discriminate against an employee or applicant for employment with respect to the hire, tenure, terms, conditions or privileges of employment, or a matter directly or indirectly related to employment because of race, color, religion, national origin, age, sex, or disability that is unrelated to the individual's ability to perform the duties of a particular job or position.

18.17 Entire Agreement. This Agreement embodies the entire agreement and understanding between Manatron and Customer with respect to the subject matter of this Agreement and supersedes all prior oral or written agreements and understandings relating to the subject matter of this Agreement. No statement, representation, warranty, covenant or agreement of any kind not expressly set forth in this Agreement shall affect, or be used to interpret, change or restrict, the express terms and provisions of this Agreement. The terms and conditions of any purchase order or other instrument issued by Customer which are in addition to or inconsistent with this Agreement shall be of no effect and shall not be binding on Manatron.

APPENDIX A
RESPONSE POLICY

Manatron shall respond to any Errors reported by Customer based on the priority code assigned to such Error. Customer shall identify the priority code when it initially reports the Error to Manatron. Manatron may, in its reasonable discretion, re-classify the Error after its initial investigation. If Customer requests, in writing, that the Error be resolved with a priority code higher than the assigned level, Customer will pay Manatron for that support on a time and materials basis at Manatron's then current rates. The priority codes and responses are as follows:

Priority	Definition/Impact	Manatron's Responses
1	The problem causes an immediate major impact on Customer's business. The problem has caused Customer's use of the Software, or a significant component thereof, to stop or substantially deviate from the Documentation. No timely workaround exists.	Manatron will use all commercially reasonable efforts to: (i) respond to Customer within one hour, indicating that Manatron has received the report of the Error; (ii) provide an initial status report to Customer within 2 hours, and regularly communicate thereafter the status of a reported Incident; and (iii) provide the appropriate modifications, bug fixes and other changes to the Software as soon as reasonably possible.
2	The problem causes an impact on Customer's business. A workaround is not available; however, processing can still continue but in a restricted manner.	Manatron will use all commercially reasonable efforts to: (i) acknowledge receipt of the Error within four (4) hours of the report; (ii) verify the reported Error and regularly communicate the status to Customer; and (iii) provide the appropriate modifications, bug fixes and other changes to the Software within ten (10) days, or to continue its efforts indefinitely beyond this period when an Error remains unresolved.
3	The problem has a minor impact on Customer's business. The problem does not prevent operation of the Software.	Manatron will use all commercially reasonable efforts to: (i) acknowledge receipt of the Error within one business day of the report; and (ii) respond to the Error within thirty (30) days.
4	The problem has no business impact.	Manatron will use all commercially reasonable efforts to: (i) acknowledge receipt of the Error within one business day of the report; and (ii) consider addressing the issue in a future Version or Release.
